

9th November 2010

When we arrived in Singapore in 2008 we quickly realized we would require a sound local guide to aid us through the process of insurance in this new region - luckily we were introduced to NRM Insurance (Pte Ltd).

Patrick is completely reliable & we feel he works to find the best insurance solution fit for our business.

We 100% value our contracts with NRM Insurance, and we look forward to working together for many years to come!

Aimee Helliwell
Managing Director
